Auntie's is proud to offer a very high standard of short and long term boarding.

- * Guests are accommodated in spacious condos (not cages) with each room having a secure opening window, a shelf, lighting, a screen door allowing plenty of fresh air and a stool to climb on.
- * Standard condos are 3 feet wide by 5 feet long and are approximately 8 feet tall. There are 3 larger suites available (they vary in size as they are corner suites). The standard condos fit 1 or 2 cats from the same home and the larger suites are for 2 to 3 cats.
- * Condos can be modified to fit the needs of your kitty that may have difficulty jumping. A staircase can replace the stool or the shelf can be removed from the condo.
- * Indoor climate controlled with heating, air conditioning and fresh air.
- * We feed your kitty dry Felidae Cat and Kitten formula or Science Diet Light dry food, unless you provide another diet.
- * If your kitty likes to eat wet or a raw diet, please bring their favorite kinds, as we don't routinely keep this on hand. We do have a refrigerator for storage.
- * Guests are fed twice a day unless special feeding schedules are requested.
- * Water is changed and litter boxes cleaned and filled with organic Cat Country litter twice daily at a minimum.
- * We can administer oral, eye, ear, flea treatments and topical medications as well as subcutaneous fluids and injections. Refrigeration available.

* Clean and comfortable bedding, food/water dishes and litter boxes will be provided. Guests are welcome to bring their "favorite items" from home.

* Daily brushing if your kitty is fond of it. Bring their favorite brush.

* Please make sure your kitty is free of fleas.

* Plenty of personal attention will be given to your loved one at least 2-3 times daily. We welcome you to bring toys and scratching posts for play and exercise.

*Current rabies (for indoor/outdoor kitties) and distemper vaccine required.
Exceptions by vet recommendation only*

Bring emergency contact information with you and let the contact know they are listed.
